

Skyline Analysis & Layout Workshop Checklist

Important things to know

- Lunches and refreshments during break times will be provided. You will be responsible for dinners.
- Oregon State has been designated "smoke-free". Please be respectful of that during your time at the workshop. For more information, including a Boundary Map (out of which smoking is permitted), see the [Smoke-Free OSU website](#).
- Oregon State has very strict parking rules on campus. Daily parking passes can be purchased (\$10/day) on the [Parking Services Website](#). We recommend that you park at the hotel or off campus to avoid the high fees.

General

- Register for the event by November 3rd!
- Make travel arrangements.
- Make lodging reservations in Corvallis.
The closest hotel to the workshop is the [Hilton Garden Inn](#). Another option is the [Holiday Inn Express](#). There are other options as well! These are just suggestions.

IMPORTANT! Please bring the following to the workshop:

- Clothing and footwear appropriate for field work.
- Hard hats.
- Cruiser Vests with supplies (marking pens, clinometer, compass, etc)
We will have some limited supplies for those who cannot bring their own.
- Laptop computer with Skyline XL.
Don't have it? Download it [from this page](#).

If you have any questions, please contact Brianna Beene at brianna.beene@oregonstate.edu or 541.737.3740
We look forward to seeing you at the workshop!
