

## Club Council Meeting Minutes

January 19, 2023

### Attendees:

Paul McNulty, Jacob Taylor, Joshua Waier, Brooke Harrington

(Noted that Claudio Guevara was trying to get into the Zoom meeting, but I did not see the request, IFSA club was meeting at the same time)

### Club Updates:

Forestry – OLC happening soon, selling merchandise. Logging sports team preparing for trip to Redding, CA for a competition in February, still working on Conclave.

FSG – Bonfire at Klaus' house, Faith from Leadership Academy will be speaking at upcoming meeting, working on funding for a ski trip, Mieke's Dad will be talking at an upcoming meeting. He is a professional Forester.

SAF – State meeting coming up, Officer Elections in winter term, tree farm planting.

IFSA – Did not hear from IFSA.

FUSE – Not in attendance

### Upcoming events:

Winter Term – Officer Elections, Food Drive

### Discussion:

Winter term Clubs Day & Resource Fair – not quite as many students as the Fall term event. This is probably due to date and time.

Possible proposal form to submit plans for events and activities that need extra funding and support. Possible this is available in IdealLogic without re-creating information that already exists.

Clubs to work on descriptions of officer roles and duties including how those are positions are performed, relevant information to assist incoming Officers. Forestry has a Google drive with this type of information.

IFSA has club meetings scheduled during current council meetings and is requesting the council meetings be rescheduled.

Reminder about motor pool requests going through Brooke with a signed form (signed by club advisor and treasurer).
