Topics of discussion:

- ❖ Club Office keys are available to check out for the remainder of the academic year. Club Office is available to store supplies, files and use computer if needed. Whoever signs for and checks out the office key is responsible for it, keys to be returned by end of Spring term. Visit Brooke's office if you want to check out an office key.
- ❖ Conclave volunteer opportunities
- ❖ Student Services has plans to review current council requirements and process (annual reports and budget summary, letter of intent to join council, event and funding proposals)
- ❖ Brooke has reached out to Student Engagement to try and schedule a spring term IdealLogic training session.
- ❖ Reminder that when using college classrooms for meetings to be sure trash is taken out and room is returned to the way it was found. All clubs are doing a good job with this and there have been no issues.
