**Council Representative reports/announcements**

Forestry Club is planning a chain saw training, logging sports training, as well as wood cuts.

SAF Student Chapter invited a speaker, Fran Cafferata-Coe, to address their members, and reports on the success of the recent job fair.

FSG reports that their fall event fell through, but they are working on plan for Winter term.

FUSE reports that they have invited a speaker, Scott Purdue, to address their members, Mike reports that the club has participated Wood Magic, Annual Ring, and the Beaver Community Fair and that those events fulfill the council membership requirement to participate in at least three (3) CoF/OSU events.

**Old Business**

Club constitutions have been updated (need more work from SAF). The updated constitutions contain information about council representation position, and collaboration with the clubs' secretaries on SLI activity reporting, and to include council requirements in activity plan.

Membership lists review – please talk with your secretary about keeping lists updated, remove names of graduated students, and be sure new students are added during membership drives, etc.

**New Business**

The Council establishes Winter term meetings which will be held on the 2<sup>nd</sup> Fridays of month at noon. Representatives are reminded of council membership obligations and their role in working with club officers to fulfill those requirements.

**Open Forum**

Bowling Tournament on Friday at 7pm at Highland Bowl

Meeting adjourned at 4:26p.m.
